

TOPIC 6- DYNAMIC DEVELOPMENT

6.2: A BETTER ZAMBIA FOR ALL?

LEARNING IS SUCCESSFUL WHEN I ...

Know:

- What FDI is [1-2]
- What economic activities Zambia has in operation [3-4]

Understand:

- How FDI might potentially contribute to Zambia's development [5-6]
- The link between types of economic activities countries have and their levels of economic development [6-9]

A better Zambia for all?

Link these together: 6% $\frac{1}{2}$ 2012 2030

TNCs → F(D)I in Zambia = development = 😊

Recap: There are 4 groups of economic activities

- Primary
- Secondary
- Tertiary
- Quaternary

Map B p202: Which of these are currently active in Zambia? Make a list

Which of the four is not evident?

Zambia wants to become an AC by 2030. It needs financial investment to achieve this.

Your Mission:

Target ONE economic activity group that you believe would help it to achieve maximum investment in minimal time.

Market Zambia to TNCs in this economic activity group, using the available resources to create a persuasive flyer/infographic

WAGOLL: eye-catching; informative [8]; targeted [prioritise the information according to your target audience]

1. Zambia, southern Africa

\$ paid by the TNC, in the form of rents/rates can be invested in health AND education facilities to improve QOL of the people

Other TNCs might locate here, so \$ income continues

Employment is created – Zambian people earn more, pay taxes and spend more – Government has \$ to improve other facilities

ONE THING I FOUND REALLY EASY TODAY WAS
ONE THING I DON'T GET IS

EIGHT was the magic number today
.... How many of them can you recall
as a collective?
